Will Judge Scott Answer?

Among the spellbinders hired by the Knights of Columbus, or who volunteer their services, to go out and lecture to knights and their friends under K. of C. auspices we note that Judge Joseph Scott of Los Angeles, Calif., is doing a turn in the Romish campaign of misinformation. Judge Scott, according to the St. Louis Globe-Democrat, April 13, is president of the Los Angeles school board, chairman of the Chamber of Commerce and "has long been a large figure in the public life of California." On the night of On the night of April 12, Scott spoke in the Ocicon theater, St. Louis, taking for his subject that much worn but ever present bugaboo of the knights and other "prominent'' papists, "Patriotism vs. Re-ligious Prejudice." K. C. speakers like to speak on that subject because it comes nearer fooling an audience than any

Does Judge Scots forget that his fellow knights have mobbed men and women who stood upon a public platform before an ardience composed largely of friends and sympathisers? Does be forget the enes in Chicago when Slattery attempted to speak? Does he forget that a mob of thousands of Roman Catholic dlums smashed windows, beat men and frightened women, destroyed proporty and committed violence throu a night of terror in Haverhill, Mass. because Dr. Leyden had announced that he would speak against the appropriation of public funds for sectarian

That he chose his subject unwisely when speaking to knights in St. Louis and Detroit may be surmised, since as an American he is a little mixed in his genealogy.
